

Parinee Group Pre-Launches Parinee I In The Crème Arena Of Andheri

Mumbai, Maharashtra, India

Parinee Group, one of Mumbai's leading real estate developer launches its ambitious commercial project at the Entertainment Capital, Andheri West. The Project called Parinee I is under construction and is expected to be completed by December 2017.

Parinee I located at the epicenter of the Western suburbs is a perfect coalescence of futuristic technology and aesthetical design. It is a First-of-its-kind Dichroic Glass Façade Edifice Grade A commercial complex that will comprise ultra-modern office spaces for varied business houses. Flawlessly planned & designed, the awe inspiring edifice will be an amalgamation of ingenious design, intuitive engineering and innovative materials This upcoming project featuring automated car parking systems, fine dine restaurants, Sky Lounge, International Spa and Gym , Serviced Business Center, Professional Editing/Recording Suites, Preview Theatres and many other never-seen-before exclusivities will soon become the cynosure of Mumbai.

The project also surrounds an exceedingly well developed physical and social infrastructure in its vicinity. The prime advantage of the project, is that it is centrally located with

flourishing connectivity to Suburbs as well as other horizons of the city.

Mumbai, with its current wave of development and rising aspirations pertaining to commercial projects, deserves great quality office spaces which enrich the working standards. Keeping this in mind Parinee I is designed to provide a multitude of experiences and a diverse range of environments to enjoy and delivers a great opportunity through this project which endows an upgraded, standardized, and urbane aspects within the bustling city.

According to Directors of Parinee Group, Mr. Vipul Shah & Mr. Dhaval Shah, “The main aim of Parinee Group is to escalate from the current standards of Commercial property and setting a standard or benchmark by delivering more than optimum. We are very bullish on commercial real estate and believe the sector is at an inflexion point..Parinee Group’s projects are being implemented with the latest construction technologies and will feature world-renowned architectural and services consultants for efficient planning and design.”
